

# Journey of Possibilities

## CLIENT SESSION FORM: HEALY

It is with gratitude and humility that I welcome this opportunity to work with you. We will be working with the FDA-approved Healy medical device which uses a quantum sensor to evaluate your body/mind/spirit and send needed frequencies via microcurrents into your cells to bring them into balance and harmony. This may be done in person or remotely. Please answer these carefully:

Do you have a pacemaker? \_\_\_\_\_ Yes \_\_\_\_\_ No

Do you have any history of heart disease? \_\_\_\_\_ Yes \_\_\_\_\_ No

Do you have any history of epilepsy? \_\_\_\_\_ Yes \_\_\_\_\_ No

Is there a chance that you might be pregnant? \_\_\_\_\_ Yes \_\_\_\_\_ No

A “yes” to any of the questions unfortunately means that I will not be able to assist you using the Healy. Please ask about options I have available like Reiki, Pranic Healing and vibrational sound bath sessions.

If you answered “no” above, please provide a recent headshot/selfie (facing the camera without dark glasses or facial coverings) and the following information at least 72 hours prior to our session.

Full Name: \_\_\_\_\_

Date of Birth (Month/Day/Year): \_\_\_\_\_

Place of Birth: \_\_\_\_\_

May I store your information on the “cloud” at Healy HQ for my and your eyes only? \_\_\_ Yes \_\_\_ No

**BEFORE YOUR SESSION(S):** To improve current flow through your body, it is important that your body is hydrated. Please drink at least 1 quart/liter of water prior to our session(s). If your electrolytes may be low, it is also suggested that you add a packet of Emergen-C to the water. For in-person sessions, please do not wear any lotion on your arms, legs, back or abdomen to allow electrodes to adhere to your skin (if we need to use them).

**AFTER YOUR SESSION(S):** Your body may release toxins during our session(s). Please take time to go outside into the grass and intentionally ground to release these through your feet into the earth. Continue hydrating your body to improve current flow.

Thank you for entrusting me to support your spiritual, emotional, mental, and physical health. The Healy is not recognized by conventional medicine, and terms used in the Healy do not represent healing promises but are to be understood as goals and affirmations.
